

From Farm to Table

Agrotourism, a sector that's been on the rise for the past ten years, is one of the region's key offerings and there's a wide range of world-class food products to be discovered in the Eastern Townships. A great place to start is a meal at one of our restaurants and inns, where you'll be treated to local flavours and stellar service.

Not sure where to start? That's what the [Créateurs de Saveurs](#) logo is for. At press time, over 80 local establishments proudly bore the prestigious stamp of approval. From cheese makers and wine producers to chocolatiers and farmers, all are passionate about their craft and keen on sharing this passion with locals and visitors alike.

For a refined gourmet experience, choose restaurants bearing the Créateurs de Saveurs banner. It's where you'll find some of the most innovative, trendy and passionate cuisine in the region. Our creative, talented chefs have a flair for refined flavours, making them unique ambassadors for the region. Finding these local gems is as easy as looking for the Créateur de Saveurs logo, which is always synonymous with terroir-driven products and cuisine—not to mention an unforgettable dining experience. Some favourite options? [Auberge West Brome](#), where you can nab a table in the garden where many ingredients were grown, and Manoir Hovey's [Le Hatley](#), for dishes prepared with birch syrup and vinegar.
